### **A NEW SOUND**

At a troop meeting, have fun creating and building musical instruments. These can be made from anything we find around the house (ex. plastic containers filled with beans, cereal boxes filled with rice, toilet paper rolls with wax paper rubber-banded around the end etc.) . Have fun and be creative. Ms. Kirsten will sing a song during which you can use your new instrument.

Don't worry, if you choose not to do this, Ms. Kirsten has instruments that you can use.

Each child will receive a book with all of the lessons and songs learned and your troop will receive a CD of the songs that we listened to during our fun time.

Saturdays only - 2:00 - 4:00
