TODAY'S SOLO:

BIM BOM

You know that there are only seven chords in music. They are all printed on this page. BUT chords' notes can be re-arranged.

1. Re-draw the chords on the page according to the note names under each measure.
2. Write the name of the chord you drew over your notes (hint: it will be the same as the original chord)

Do you see this space? Each of your chords will have a space at the bottom like this
