Make some Drum Mallets
Cut a piece of self-adhesive craft foam *** in a tall, thin triangle (about 7 inches high and 1 1/2 inches wide at the base). Stick the 1 1/2 inch base of the triangle to the end of a chopstick (overlap the end a bit) so that the triangle is sticking out like a flag. Wrap the triangle around and around like a crescent roll. Tie a piece of yarn around the crescent roll to hold it in place. Now go around the house finding fun things to turn into drums!
*** You can use craft felt and white glue, but it gets rather messy!

WHAT IS YOUR NAME?
