...HE WAS A REAL PERSON TOO....

**FREDERIC CHOPIN**

Frederic Chopin grew up in Poland. When he moved to France, he took a silver cup of Polish dirt with him. It is said that he kept the dirt-filled cup for the rest of his life!

He never entered a room with his left foot because he thought it would bring bad luck.

He never touched the money that his students brought until after they left the studio - he said that it was

“un-gentlemanly”

Famous Chopin music:

**Waltz in D-flat (Minute Waltz)**
