...HE WAS A REAL PERSON TOO....

IGOR STRAVINSKY

Igor Stravinsky liked to relax by standing on his head - he said that it cleared his brain.

He was afraid of bad luck, so he pinned "good-luck" pins to his underpants and wore them under his clothes all the time.

His composition, The Rite of Spring, was so different from other music that many people tried to keep the orchestra from playing it!

Famous Stravinsky music:

- The Rite of Spring**
- The Firebird**
