

1. Write the counts for each measure - do this for the WHOLE PAGE before you move on to step 2
2. Draw a line down from #1 AND another line down from #4 in each measure  
- do this for the WHOLE PAGE before you move on to step 3
3. Use the chord chart to fill in the notes, chord names, and finger numbers for the chords that you draw.

Do you see that the example shows the notes as DOTTED QUARTER NOTES? You need to make your notes DOTTED QUARTER NOTES as well.
